Danbury .- The attendance at the second meeting of the community chorus in the city hall last week was considerably increased over that of the first sing.

HOW I CURED

TOLD IN A SIMPLE WAY Without Apparatus, Inhalers, Harm-ful Drugs, Smoke or Electricity. HEALS DAY AND NIGHT

HEALS DAY AND NIGHT

It is a new way. It is something abustably different; no lotion, apray or alcheming drugs; nothing to smoke or inhale; no confinement in the home; something healthful. You do not have to wait and linger and pay out a let of money. I will gladly tell you how. I am not a dector, but I am cured and my friends are cured, and you can be cured. Your suffering will stop at once like magica. I am free. You can be free. My catarrh was fithly and loathsome. It made me ill. It dulled my head, it undermined my health and was weakening my will. The hawking, coughing, spitting made me obnotious to all and my foul breath and disgusting habits made even my loved once avoid me secrety.

But I found a cure and I am ready to tell thousands of other sufferers that CAMPIGNGLE cured me of catarrh of some and threat.—Mrs. E. Anderson, Pleasantwike Terrace, N. 5.
